Where is this little dog?

Please help these anxious owners to find their little dog who was lost over new year.

Gibby has gone missing from around the Mana area and may have been picked up by someone who thought he was lost. .

He is inclined to hang around people on the beach - especially those with food!

Pease contact his owners on 021 76 46 96 if you have seen him.

Lots happening here in the next couple of months ...
