

Come to the AGM and meet the skyranger R70!

Monday 28 August 7pm
Plimmerton Boating Club

Guest speakers:

Cratos is a locally based company at the forefront of drone technology. They will showcase their premium drone - the SkyRanger R70, and explain how they use this impressive unmanned aerial system to help environmental groups with wildlife mapping and monitoring.

Cratos is currently working on a combined project with Friends of the Taupō Swamp and is soon to be educating on the use of this platform at Plimmerton School with Drone Day at the Plimmerton Domain. See www.plimmerton.nz/projects for more info.

Drone Day will start an intensive study of the wetland ecology. Students will share their learnings with our whole community.

Tommy's
Real Estate

We acknowledge the support of Hutt Mana Charitable Trust, Tommy's, and the businesses and generous local residents who work hard to improve our environment.

PLIMMERTON
Residents' Association Incorporated
